TCC WESTHEM Mission

To provide mission-specific culture training for all operational domains within the WESTHEM AOR.

Training Focus

The training focuses on the understanding of culture and its relevance towards military operations, identifying & analyzing components of the local social and cultural environment, and building rapport with the security force counterparts as well as the local populace. Instruction includes practical exercises that focus knowledge towards relevant operational elements and capstone role plays where students demonstrate their skills and knowledge.

Training Requests

If you would like to request training or have any questions, please contact the Mobile Training Team Coordinators:
